*Love and welcome to you.
Hope and a fresh start too.
Peace and purpose in life.
Welcome, welcome to you.*

"This is my son", said God's voice from above.
"Listen to him, see my spirit the dove."

Love and welcome...

Jesus said children should show us the way,
to trust and be open, to watch and to pray.

Love and welcome...

Water and promise and blessing and prayer,
this is God's church that we all want to share.

Love and welcome... (x2)
