

Lord of our past

Lord of our past, we celebrate the saints,
Who came before us and still light our way,
Whose lives of faith, whose courage and resolve,
Are beacons guiding us in this, our day.

Lord of our now, we pray to you for strength,
As we take up the torch of history.
We seek to serve you, sure in our belief
That you are there in all we do and say.

Lord of our future, hold us in your hands,
And help us do the work we're called to do,
Give us the will, the vision and the power,
To dedicate our lives and times to you.

Lord of our all, we bring our songs of praise
And offer them as tokens of our love,
We lift our hearts and voices up to you
Grant us your grace and may our faith be true!
