

# Unless the Lord

Irene Bom

Un-less the Lord builds the house, the la-bourers la-bour in vain... Un-less the  
Lord guards the ci - ty, the watch-men watch it in vain... O, ev'-ry-bo-dy put your  
hope in the Lord, his love is un - fail - ing. O  
ev' ry - bo - dy put your hope in the Lord, put your hope in the Lord.

Unless the Lord builds the house,  
the labourers labour in vain.  
Unless the Lord guards the city,  
the watchmen guard it in vain.

*O, ev'rybody, put your hope in the Lord,  
his love is unfailing.  
O, ev'rybody, put your hope in the Lord,  
put your hope in the Lord.*

Unless the Lord shows the way,  
we are sure to get lost.  
Unless the Lord gives us patience,  
we are sure to get cross.

*O, ev'rybody, put...*

Unless the Lord gives us strength,  
we won't last very long.  
Unless the Lord goes before us,  
things are sure to go wrong.

*O, ev'rybody, put...*
