

We're gonna jump, jump, jump

Peter Johnston

(Swung)

We're go nna jump, jump, jump, jump_ to praise the God of life, stamp, stamp, stamp, on_

_ the ground. We're go - nna clap, clap, clap, clap_ our hands to - ge - ther now, sing

_ a song of love that will make a loud sound._

There are times when we feel good, we want to dance, and shout, "All right!"

There are times when we feel sad,_ but Je - sus keeps us in sight._

*We're gonna jump, jump, jump,
jump to praise the God of life,
stomp, stomp, stomp, on the ground.
We're gonna clap, clap, clap,
clap our hands together now,
sing a song of love that will make a loud sound.*

There are times when we feel good,
we want to dance, and shout, "All right!"
There are times when we feel sad,
but Jesus keeps us in sight.

We're gonna jump...

There are times when we feel bad,
we just don't care to do what's right.
But when Jesus is our friend,
we love with all of our might.

We're gonna jump...
