

When We Are Sad

Words by: Gayle Taylor

Tune: You Are My Sunshine

When we are sad and
when we are sorry,
God always listens and is our friend.
God gives us love and will never leave us
But stays beside us 'til the end.

Will you be my friend
and stay beside me,
to talk and listen
and hold my hand?
Will you share with me
and try to help me?
Will you be kind and understand?

We all need good friends
To love and help us
To talk and listen
to care and share.
May we be good friends to one another
And to all people everywhere.
